1. Modification of your reservation

The customer can request the modification of his stay in the same campsite (dates, type of accommodation) on written request to the campsite (mail or e-mail) to the extent of availability and possibilities. No postponement will be accepted for the following season. Failing any modification, the customer must make his stay under the initial booking conditions or cancel it according to the conditions of the cancellation insurance.

- Any request to increase the duration of your stay will be made subject to availability and according to the rates in force.
- Any request to reduce the duration of your stay is considered as a partial cancellation and will be subject to the terms and conditions for cancellation and interruption of stay.
